GENERAL ASSIGNMENT OF RENTS

BETWEEN:

WEST MALL HOLDINGS LTD.,

(hereinafter called the "Assignor")

OF THE FIRST PART;

- and -

COMPUTERSHARE TRUST COMPANY OF CANADA,

(hereinafter called the "Assignee")

OF THE SECOND PART;

1. As security for the payment for all obligations, indebtedness and liability of the Assignor to the Assignee under a certain Charge/Mortgage, and any amendments thereto and extensions thereof (the "Charge"), given by the Assignor to the Assignee on the interest in those lands and premises described on page 1 of the Notice of Assignment of Rents-General to which this document is attached (the "Lands"), whether such obligations, indebtedness or liabilities are incurred prior to, at the time of, or subsequent to, the execution of this Assignment, the Assignor hereby grants, assigns and transfers to the Assignee:

   (a) All leases, licenses and other agreements permitting the occupation or use of the Lands or any part thereof, whether in existence at the date of this Assignment or hereafter, and all renewals thereof (all of which leases, licenses and other agreements are hereinafter referred to as "Leases") and any guarantee of all or any of the obligations under any of the Leases; and,

   (b) All rentals, income, receipts, profits and other monies payable to the Assignor under the Leases including, without limiting the generality of the foregoing, all rents, income, subsidies or payments received from any and all competent governmental authorities (all of which rentals, income receipts, profits and other monies are hereinafter referred to as "Rentals").

2. In the event of default under the Charge or herein, the Assignee may at its option enter upon the Lands and collect in the name of the Assignor or in its own name as Assignee, the Rentals accrued but unpaid and in arrears at the date of such default, as well as the Rentals thereafter accruing and becoming payable during the period of the default. The Assignor shall from time to time forthwith on the Assignee's request, do, make and execute all notices and directions to tenants directing the payment of Rentals to the Assignee and other documents, acts, matters and things, as may be required by the Assignee in order to collect Rentals or otherwise give effect to these presents, and the Assignor hereby constitutes and appoints any officer of the Assignee, or any receiver appointed by the Court as hereinafter set out, the true and lawful Attorney of the Assignor irrevocably with power of substitution to do, make and execute all such notices, directions, documents, acts, matters or things with the right to use the name of the Assignor whenever and wherever it may be deemed necessary or expedient.

3. The Assignor shall from time to time forthwith on request furnish to the Assignee in writing all books and information requested relating to Rentals and the Assignee shall be entitled from time to time to have access to the lands and/or other premises occupied by the Assignor in order to inspect such books or information.

4. In the event of default under the Charge or herein, the Assignee may, in addition to any other rights, appoint by instrument in writing a receiver or receiver-manager in connection with the Rentals and remove or replace such receiver or receiver-manager from time to time or may institute proceedings in any court of competent jurisdiction for the appointment of such receiver or receiver-manager. Where the Assignee is hereinafter in this Assignment referred to, the term shall, where the context permits, include any receiver or receiver-

manager so appointed and the officers, employees, servants or agents of such receiver or receiver-manager.

5. In the event of default under the Charge or herein, the Assignee may, at its option, take over and assume the management, operation and maintenance of the Lands and perform all acts necessary and proper with respect to such management, operation and maintenance and expend such sums out of the income of the Lands as may be needed in connection therewith, in such manner and to the same extent as the Assignor, including the right to effect new Leases, renew existing Leases or make concessions to tenants and the Assignor hereby releases all claims against the Assignee arising out of such management, operation and maintenance, save and except the liability of the Assignee to account.

6. The Assignor represents and warrants to, and covenants and agrees with, the Assignee that:

   (a) all Leases are valid, enforceable and in full force and effect;

   (b) the Assignor has not done and will not do or omit to do any act having the effect of terminating, cancelling or accepting surrender of any of the Leases, or of waiving, releasing, reducing or abating any rights or remedies of the Assignor, or obligations of any other party thereunder or in connection therewith without the prior written consent of the Assignee;

   (c) none of such rights, remedies and obligations are or will be affected by any other agreement, document or understanding or by any reduction, abatement, defence, set-off or counterclaim;

   (d) none of the Leases or the Assignor's rights thereunder (including the right to receive the Rentals) have been or will be amended, assigned, encumbered, discounted or anticipated, except as currently disclosed by the records of the Land Registry Office, and same shall not be, except with the prior written consent of the Assignee;

   (e) none of the Rentals have been or will be paid prior to the due date for payment thereof except as provided in the Leases;

   (f) the Assignor will observe and perform all of its obligations under the Leases;

   (g) there has been no default under any of the Leases by any of the parties thereto of which the Assignor has notice;

   (h) there is no outstanding dispute under any of the Leases by any of the parties thereto; and,

   (i) neither the Assignor nor any previous owner of the Lands has executed a prior assignment of the Leases or the Rentals except as currently disclosed by the records of the Land Registry Office.

7. The Assignor hereby covenants and warrants that a further assignment of Leases or Rentals shall not be granted unless the Assignor provides the Assignee with an acknowledgement from any subsequent creditor that this Assignment shall have full priority over any such further assignment.

8. Nothing herein contained shall have the effect of making the Assignee responsible for the collection of Rentals or any part thereof, or for the performance of any of the obligations or conditions under or in respect of the Leases or any of them to be observed and performed by the Assignor, or to take any action or enforce any remedy against any person with respect to any breach of any of the Leases, and that the Assignee shall not by virtue of this Assignment, or its receipt of the Rentals or any part thereof, become or be deemed a mortgagee in possession. The Assignee shall be liable to account for only such monies as shall actually come into its hands, less proper collection charges, provided that such monies may be applied on account of any indebtedness of the Assignor to the Assignee.

9. The Assignor shall be entitled to collect and receive the Rentals as they become due under the Leases unless and until default occurs under the Charge or herein and the Assignee gives notice to any tenant, user, occupier, licensee or other party entitled to occupation or use of any part of the Lands under any of the Leases requiring that the Rentals be paid to the

Assignee, but nothing in this section 9 shall permit or authorize the Assignor to collect any of the Rentals prior to their due date.

10. None of the rights or remedies of the Assignee under the Charge shall be delayed or in any way prejudiced by this Assignment. Notwithstanding any variation of the terms of the Charge or any extension of time for payment of the monies secured by the Charge or any part thereof or any release of part or parts of the premises or any collateral security, the Leases and the Rentals hereby assigned shall continue as collateral security until all monies secured by the Charge have been paid in full.

11. Save as otherwise agreed between the parties in writing, and save as hereinafter set out, the Assignment and the Charge collectively constitute the entire agreement between the parties as regards the assignment of Leases and Rentals and the rights and liabilities of the parties and there are no other representations, collateral agreements or conditions in respect of the Leases or Rentals. This Assignment is in addition to and not in substitution for any other agreement between the parties including, without limiting the generality of the foregoing, any agreement creating a security interest in the Leases or Rentals and whether heretofore or hereinafter made, and the terms of such agreement or agreements shall be deemed to be continued unless expressly provided to the contrary in writing and signed by the parties.

12. Any notice required by or given under or in connection with this Assignment may be effectively given if it is in written form and given in the same manner and extent as provided for in the Charge.

13. If any term of this Assignment or the application to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Assignment or the application of such term to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term of this Assignment shall be separately valid and enforceable to the fullest extent permitted by law.

14. Any receiver or receiver-manager appointed out of this Assignment or by any Court shall be deemed to be an agent or agents of the Assignor and the Assignor shall be solely responsible for his or its or their acts and for his or its or their remuneration and expenses and the Assignee shall not be in any way responsible for any misconduct or negligence on the part of any such receiver or receiver-manager.

15. In the event that all amounts receivable under the Charge are received in full, the Assignor shall be entitled, at its sole expense to receive a discharge of this Assignment.

16. A discharge of the Charge shall operate as a reassignment to the Assignor of the rentals and leases referred to herein.

17. This Assignment shall be interpreted in accordance with the laws of the Province of Ontario.

18. This Assignment and everything contained herein shall extend to and bind and may be taken advantage of by the respective heirs, executors, administrators, successors and assigns, as the case may be, of each and every of the parties hereto and where there is more than one Assignor or there is a female party or a corporation, the provisions hereof shall be read with all grammatical changes thereby rendered necessary and where there is more than one Assignor all covenants shall be deemed to be joint and several.

19. Provided (i) an Event of Default has not occurred, or if occurred is no longer continuing, and (ii) the Assignor complies with the requirements of the first mortgagee, then the Assignor may, without the Assignee's consent, from time to time (i) agree to amend the existing leases so long as such amendments are commercially reasonable, and do not release such tenants or reduce such tenants' rental obligations under the lease except in the ordinary course of its business acting as would a prudent landlord, and (ii) agree to lease premises in the Project, acting as a prudent landlord, to replacement tenant(s) at fair market terms.

GENERAL ASSIGNMENT OF RENTS

BETWEEN:

WYNFORD PROFESSIONAL CENTRE LTD.,

(hereinafter called the "Assignor")

OF THE FIRST PART;

- and -

COMPUTERSHARE TRUST COMPANY OF CANADA,

(hereinafter called the "Assignee")

OF THE SECOND PART;

1. As security for the payment for all obligations, indebtedness and liability of the Assignor to the Assignee under a certain Charge/Mortgage, and any amendments thereto and extensions thereof (the "Charge"), given by the Assignor to the Assignee on the interest in those lands and premises described starting on page 1 of the Notice of Assignment of Rents-General to which this document is attached (the "Lands"), whether such obligations, indebtedness or liabilities are incurred prior to, at the time of, or subsequent to, the execution of this Assignment, the Assignor hereby grants, assigns and transfers to the Assignee:

   (a) All leases, licenses and other agreements permitting the occupation or use of the Lands or any part thereof, whether in existence at the date of this Assignment or hereafter, and all renewals thereof (all of which leases, licenses and other agreements are hereinafter referred to as "Leases") and any guarantee of all or any of the obligations under any of the Leases; and,

   (b) All rentals, income, receipts, profits and other monies payable to the Assignor under the Leases including, without limiting the generality of the foregoing, all rents, income, subsidies or payments received from any and all competent governmental authorities (all of which rentals, income receipts, profits and other monies are hereinafter referred to as "Rentals").

2. In the event of default under the Charge or herein, the Assignee may at its option enter upon the Lands and collect in the name of the Assignor or in its own name as Assignee, the Rentals accrued but unpaid and in arrears at the date of such default, as well as the Rentals thereafter accruing and becoming payable during the period of the default. The Assignor shall from time to time forthwith on the Assignee's request, do, make and execute all notices and directions to tenants directing the payment of Rentals to the Assignee and other documents, acts, matters and things, as may be required by the Assignee in order to collect Rentals or otherwise give effect to these presents, and the Assignor hereby constitutes and appoints any officer of the Assignee, or any receiver appointed by the Court as hereinafter set out, the true and lawful Attorney of the Assignor irrevocably with power of substitution to do, make and execute all such notices, directions, documents, acts, matters or things with the right to use the name of the Assignor whenever and wherever it may be deemed necessary or expedient.

3. The Assignor shall from time to time forthwith on request furnish to the Assignee in writing all books and information requested relating to Rentals and the Assignee shall be entitled from time to time to have access to the lands and/or other premises occupied by the Assignor in order to inspect such books or information.

4. In the event of default under the Charge or herein, the Assignee may, in addition to any other rights, appoint by instrument in writing a receiver or receiver-manager in connection with the Rentals and remove or replace such receiver or receiver-manager from time to time or may institute proceedings in any court of competent jurisdiction for the appointment of such receiver or receiver-manager. Where the Assignee is hereinafter in this Assignment referred to, the term shall, where the context permits, include any receiver or receiver-

manager so appointed and the officers, employees, servants or agents of such receiver or receiver-manager.

5. In the event of default under the Charge or herein, the Assignee may, at its option, take over and assume the management, operation and maintenance of the Lands and perform all acts necessary and proper with respect to such management, operation and maintenance and expend such sums out of the income of the Lands as may be needed in connection therewith, in such manner and to the same extent as the Assignor, including the right to effect new Leases, renew existing Leases or make concessions to tenants and the Assignor hereby releases all claims against the Assignee arising out of such management, operation and maintenance, save and except the liability of the Assignee to account.

6. The Assignor represents and warrants to, and covenants and agrees with, the Assignee that:

   (a) all Leases are valid, enforceable and in full force and effect;

   (b) the Assignor has not done and will not do or omit to do any act having the effect of terminating, cancelling or accepting surrender of any of the Leases, or of waiving, releasing, reducing or abating any rights or remedies of the Assignor, or obligations of any other party thereunder or in connection therewith without the prior written consent of the Assignee;

   (c) none of such rights, remedies and obligations are or will be affected by any other agreement, document or understanding or by any reduction, abatement, defence, set-off or counterclaim;

   (d) none of the Leases or the Assignor's rights thereunder (including the right to receive the Rentals) have been or will be amended, assigned, encumbered, discounted or anticipated, except as currently disclosed by the records of the Land Registry Office, and same shall not be, except with the prior written consent of the Assignee;

   (e) none of the Rentals have been or will be paid prior to the due date for payment thereof except as provided in the Leases;

   (f) the Assignor will observe and perform all of its obligations under the Leases;

   (g) there has been no default under any of the Leases by any of the parties thereto of which the Assignor has notice;

   (h) there is no outstanding dispute under any of the Leases by any of the parties thereto; and,

   (i) neither the Assignor nor any previous owner of the Lands has executed a prior assignment of the Leases or the Rentals except as currently disclosed by the records of the Land Registry Office.

7. The Assignor hereby covenants and warrants that a further assignment of Leases or Rentals shall not be granted unless the Assignor provides the Assignee with an acknowledgement from any subsequent creditor that this Assignment shall have full priority over any such further assignment.

8. Nothing herein contained shall have the effect of making the Assignee responsible for the collection of Rentals or any part thereof, or for the performance of any of the obligations or conditions under or in respect of the Leases or any of them to be observed and performed by the Assignor, or to take any action or enforce any remedy against any person with respect to any breach of any of the Leases, and that the Assignee shall not by virtue of this Assignment, or its receipt of the Rentals or any part thereof, become or be deemed a mortgagee in possession. The Assignee shall be liable to account for only such monies as shall actually come into its hands, less proper collection charges, provided that such monies may be applied on account of any indebtedness of the Assignor to the Assignee.

9. The Assignor shall be entitled to collect and receive the Rentals as they become due under the Leases unless and until default occurs under the Charge or herein and the Assignee gives notice to any tenant, user, occupier, licensee or other party entitled to occupation or use of any part of the Lands under any of the Leases requiring that the Rentals be paid to the

Assignee, but nothing in this section 9 shall permit or authorize the Assignor to collect any of the Rentals prior to their due date.

10. None of the rights or remedies of the Assignee under the Charge shall be delayed or in any way prejudiced by this Assignment. Notwithstanding any variation of the terms of the Charge or any extension of time for payment of the monies secured by the Charge or any part thereof or any release of part or parts of the premises or any collateral security, the Leases and the Rentals hereby assigned shall continue as collateral security until all monies secured by the Charge have been paid in full.

11. Save as otherwise agreed between the parties in writing, and save as hereinafter set out, the Assignment and the Charge collectively constitute the entire agreement between the parties as regards the assignment of Leases and Rentals and the rights and liabilities of the parties and there are no other representations, collateral agreements or conditions in respect of the Leases or Rentals. This Assignment is in addition to and not in substitution for any other agreement between the parties including, without limiting the generality of the foregoing, any agreement creating a security interest in the Leases or Rentals and whether heretofore or hereinafter made, and the terms of such agreement or agreements shall be deemed to be continued unless expressly provided to the contrary in writing and signed by the parties.

12. Any notice required by or given under or in connection with this Assignment may be effectively given if it is in written form and given in the same manner and extent as provided for in the Charge.

13. If any term of this Assignment or the application to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Assignment or the application of such term to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term of this Assignment shall be separately valid and enforceable to the fullest extent permitted by law.

14. Any receiver or receiver-manager appointed out of this Assignment or by any Court shall be deemed to be an agent or agents of the Assignor and the Assignor shall be solely responsible for his or its or their acts and for his or its or their remuneration and expenses and the Assignee shall not be in any way responsible for any misconduct or negligence on the part of any such receiver or receiver-manager.

15. In the event that all amounts receivable under the Charge are received in full, the Assignor shall be entitled, at its sole expense to receive a discharge of this Assignment.

16. A discharge of the Charge shall operate as a reassignment to the Assignor of the rentals and leases referred to herein.

17. This Assignment shall be interpreted in accordance with the laws of the Province of Ontario.

18. This Assignment and everything contained herein shall extend to and bind and may be taken advantage of by the respective heirs, executors, administrators, successors and assigns, as the case may be, of each and every of the parties hereto and where there is more than one Assignor or there is a female party or a corporation, the provisions hereof shall be read with all grammatical changes thereby rendered necessary and where there is more than one Assignor all covenants shall be deemed to be joint and several.

19. Provided (i) an Event of Default has not occurred, or if occurred is no longer continuing, and (ii) the Assignor complies with the requirements of the first mortgagee, then the Assignor may, without the Assignee's consent, from time to time (i) agree to amend the existing leases so long as such amendments are commercially reasonable, and do not release such tenants or reduce such tenants' rental obligations under the lease except in the ordinary course of its business acting as would a prudent landlord, and (ii) agree to lease premises in the Project, acting as a prudent landlord, to replacement tenant(s) at fair market terms.

GENERAL ASSIGNMENT OF RENTS

BETWEEN:

GLOBAL MILLS INC.,

(hereinafter called the "Assignor")

OF THE FIRST PART;

- and -

COMPUTERSHARE TRUST COMPANY OF CANADA,

(hereinafter called the "Assignee")

OF THE SECOND PART;

1. As security for the payment for all obligations, indebtedness and liability of the Assignor to the Assignee under a certain Charge/Mortgage, and any amendments thereto and extensions thereof (the "Charge"), given by the Assignor to the Assignee on the interest in those lands and premises described on page 1 of the Notice of Assignment of Rents-General to which this document is attached (the "Lands"), whether such obligations, indebtedness or liabilities are incurred prior to, at the time of, or subsequent to, the execution of this Assignment, the Assignor hereby grants, assigns and transfers to the Assignee:

   (a) All leases, licenses and other agreements permitting the occupation or use of the Lands or any part thereof, whether in existence at the date of this Assignment or hereafter, and all renewals thereof (all of which leases, licenses and other agreements are hereinafter referred to as "Leases") and any guarantee of all or any of the obligations under any of the Leases; and,

   (b) All rentals, income, receipts, profits and other monies payable to the Assignor under the Leases including, without limiting the generality of the foregoing, all rents, income, subsidies or payments received from any and all competent governmental authorities (all of which rentals, income receipts, profits and other monies are hereinafter referred to as "Rentals").

2. In the event of default under the Charge or herein, the Assignee may at its option enter upon the Lands and collect in the name of the Assignor or in its own name as Assignee, the Rentals accrued but unpaid and in arrears at the date of such default, as well as the Rentals thereafter accruing and becoming payable during the period of the default. The Assignor shall from time to time forthwith on the Assignee's request, do, make and execute all notices and directions to tenants directing the payment of Rentals to the Assignee and other documents, acts, matters and things, as may be required by the Assignee in order to collect Rentals or otherwise give effect to these presents, and the Assignor hereby constitutes and appoints any officer of the Assignee, or any receiver appointed by the Court as hereinafter set out, the true and lawful Attorney of the Assignor irrevocably with power of substitution to do, make and execute all such notices, directions, documents, acts, matters or things with the right to use the name of the Assignor whenever and wherever it may be deemed necessary or expedient.

3. The Assignor shall from time to time forthwith on request furnish to the Assignee in writing all books and information requested relating to Rentals and the Assignee shall be entitled from time to time to have access to the lands and/or other premises occupied by the Assignor in order to inspect such books or information.

4. In the event of default under the Charge or herein, the Assignee may, in addition to any other rights, appoint by instrument in writing a receiver or receiver-manager in connection with the Rentals and remove or replace such receiver or receiver-manager from time to time or may institute proceedings in any court of competent jurisdiction for the appointment of such receiver or receiver-manager. Where the Assignee is hereinafter in this Assignment referred to, the term shall, where the context permits, include any receiver or receiver-

manager so appointed and the officers, employees, servants or agents of such receiver or receiver-manager.

5. In the event of default under the Charge or herein, the Assignee may, at its option, take over and assume the management, operation and maintenance of the Lands and perform all acts necessary and proper with respect to such management, operation and maintenance and expend such sums out of the income of the Lands as may be needed in connection therewith, in such manner and to the same extent as the Assignor, including the right to effect new Leases, renew existing Leases or make concessions to tenants and the Assignor hereby releases all claims against the Assignee arising out of such management, operation and maintenance, save and except the liability of the Assignee to account.

6. The Assignor represents and warrants to, and covenants and agrees with, the Assignee that:

   (a) all Leases are valid, enforceable and in full force and effect;

   (b) the Assignor has not done and will not do or omit to do any act having the effect of terminating, cancelling or accepting surrender of any of the Leases, or of waiving, releasing, reducing or abating any rights or remedies of the Assignor, or obligations of any other party thereunder or in connection therewith without the prior written consent of the Assignee;

   (c) none of such rights, remedies and obligations are or will be affected by any other agreement, document or understanding or by any reduction, abatement, defence, set-off or counterclaim;

   (d) none of the Leases or the Assignor's rights thereunder (including the right to receive the Rentals) have been or will be amended, assigned, encumbered, discounted or anticipated, except as currently disclosed by the records of the Land Registry Office, and same shall not be, except with the prior written consent of the Assignee;

   (e) none of the Rentals have been or will be paid prior to the due date for payment thereof except as provided in the Leases;

   (f) the Assignor will observe and perform all of its obligations under the Leases;

   (g) there has been no default under any of the Leases by any of the parties thereto of which the Assignor has notice;

   (h) there is no outstanding dispute under any of the Leases by any of the parties thereto; and,

   (i) neither the Assignor nor any previous owner of the Lands has executed a prior assignment of the Leases or the Rentals except as currently disclosed by the records of the Land Registry Office.

7. The Assignor hereby covenants and warrants that a further assignment of Leases or Rentals shall not be granted unless the Assignor provides the Assignee with an acknowledgement from any subsequent creditor that this Assignment shall have full priority over any such further assignment.

8. Nothing herein contained shall have the effect of making the Assignee responsible for the collection of Rentals or any part thereof, or for the performance of any of the obligations or conditions under or in respect of the Leases or any of them to be observed and performed by the Assignor, or to take any action or enforce any remedy against any person with respect to any breach of any of the Leases, and that the Assignee shall not by virtue of this Assignment, or its receipt of the Rentals or any part thereof, become or be deemed a mortgagee in possession. The Assignee shall be liable to account for only such monies as shall actually come into its hands, less proper collection charges, provided that such monies may be applied on account of any indebtedness of the Assignor to the Assignee.

9. The Assignor shall be entitled to collect and receive the Rentals as they become due under the Leases unless and until default occurs under the Charge or herein and the Assignee gives notice to any tenant, user, occupier, licensee or other party entitled to occupation or use of any part of the Lands under any of the Leases requiring that the Rentals be paid to the

Assignee, but nothing in this section 9 shall permit or authorize the Assignor to collect any of the Rentals prior to their due date.

10. None of the rights or remedies of the Assignee under the Charge shall be delayed or in any way prejudiced by this Assignment. Notwithstanding any variation of the terms of the Charge or any extension of time for payment of the monies secured by the Charge or any part thereof or any release of part or parts of the premises or any collateral security, the Leases and the Rentals hereby assigned shall continue as collateral security until all monies secured by the Charge have been paid in full.

11. Save as otherwise agreed between the parties in writing, and save as hereinafter set out, the Assignment and the Charge collectively constitute the entire agreement between the parties as regards the assignment of Leases and Rentals and the rights and liabilities of the parties and there are no other representations, collateral agreements or conditions in respect of the Leases or Rentals. This Assignment is in addition to and not in substitution for any other agreement between the parties including, without limiting the generality of the foregoing, any agreement creating a security interest in the Leases or Rentals and whether heretofore or hereinafter made, and the terms of such agreement or agreements shall be deemed to be continued unless expressly provided to the contrary in writing and signed by the parties.

12. Any notice required by or given under or in connection with this Assignment may be effectively given if it is in written form and given in the same manner and extent as provided for in the Charge.

13. If any term of this Assignment or the application to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Assignment or the application of such term to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term of this Assignment shall be separately valid and enforceable to the fullest extent permitted by law.

14. Any receiver or receiver-manager appointed out of this Assignment or by any Court shall be deemed to be an agent or agents of the Assignor and the Assignor shall be solely responsible for his or its or their acts and for his or its or their remuneration and expenses and the Assignee shall not be in any way responsible for any misconduct or negligence on the part of any such receiver or receiver-manager.

15. In the event that all amounts receivable under the Charge are received in full, the Assignor shall be entitled, at its sole expense to receive a discharge of this Assignment.

16. A discharge of the Charge shall operate as a reassignment to the Assignor of the rentals and leases referred to herein.

17. This Assignment shall be interpreted in accordance with the laws of the Province of Ontario.

18. This Assignment and everything contained herein shall extend to and bind and may be taken advantage of by the respective heirs, executors, administrators, successors and assigns, as the case may be, of each and every of the parties hereto and where there is more than one Assignor or there is a female party or a corporation, the provisions hereof shall be read with all grammatical changes thereby rendered necessary and where there is more than one Assignor all covenants shall be deemed to be joint and several.

19. Provided (i) (i) an Event of Default has not occurred, or if occurred is no longer continuing, and (ii) the Assignor complies with the requirements of the first mortgagee, then the Assignor may, without the Assignee's consent, from time to time (i) agree to amend the existing leases so long as such amendments are commercially reasonable, and do not release such tenants or reduce such tenants' rental obligations under the lease except in the ordinary course of its business acting as would a prudent landlord, and (ii) agree to lease premises in the Project, acting as a prudent landlord, to replacement tenant(s) at fair market terms.

GUARANTEE AND POSTPONEMENT OF CLAIM

To: **COMPUTERSHARE TRUST COMPANY OF CANADA**
(the "Lender")

WHEREAS WEST MALL HOLDINGS LTD. (the "Borrower") is the registered owner of an interest in those lands and premises legally described as set out in Schedule "A" attached hereto municipally located at 291-295 The West Mall, Toronto, Ontario (the "Property");

AND WHEREAS the Borrower and the Covenantors, as hereinafter defined, entered into a Commitment Letter dated February 14, 2013 (the "Commitment") issued by Trez Capital Limited Partnership on behalf of the Lender, wherein the Lender agreed to loan the principal sum of $1,937,500.00 on the terms and conditions set out in the Commitment (the "Loan");

AND WHEREAS as security for the Loan, the Borrower has agreed to grant and deliver to the Lender, amongst other things, a second Charge/Mortgage on the Property, securing the Loan together with interest and all costs provided for in the Commitment (the "Charge");

AND WHEREAS the Lender, in consideration for and as a condition of proceeding with the Loan, pursuant to the terms of the Commitment, required Norma Walton and Ronauld Walton (collectively, the "Covenantors") to provide their unlimited joint and several guarantee in respect of the repayment of all monies secured by the Charge;

AND WHEREAS this Guarantee and Postponement of Claim is being provided by the Covenantors in accordance with the terms of the Commitment;

NOW THEREFORE WITNESSETH in consideration of the sum of Two Dollars ($2.00) now paid by the Lender to the undersigned (the receipt and sufficiency of which is hereby acknowledged) and the Lender advancing the principal money secured or any part thereof by the Charge to the Borrower on the terms and conditions set out in the Commitment and pursuant to the Charge, the Covenantors hereby irrevocably, absolutely and unconditionally, jointly and severally, as principal debtors and not as sureties, guarantee to the Lender the due and punctual payment by the Borrower of all principal monies, interest and any other monies which may now or hereafter become due and owing under the terms of the Charge and the observance and performance by the Borrower of all of the covenants and obligations contained therein and the Covenantors for themselves, their executors, administrators, successors and assigns covenant with the Lender that if the Borrower shall at any time make default in the punctual payment of any monies payable under the Charge or fail to observe and perform any of the covenants and obligations contained therein or in the Commitment, they will pay all such monies to the Lender or perform any of the covenants and obligations of the Borrower forthwith after demand having been made in accordance with the notice provisions contained herein and agree to indemnify the Lender against all losses, damages, costs, charges and expenses the Lender may at any time or from time to time suffer, incur or become liable of in connection with resulting from or occasioned by any breach by the Borrower of any provisions contained in the Charge. The Covenantors' liability hereunder shall bear interest from the date of such demand at the rate of interest set out in the Charge.

The Covenantors further acknowledge and agree with the Lender as follows:

1. The Lender may grant time, renewals, extensions, indulgences, releases and discharge or take additional security from and give up the same in any or all of the security it is receiving from the Borrower, abstain from taking any enforcement proceedings it may be entitled to and otherwise deal with the Borrower and others as the Lender may see fit, including entering into any renewal agreements, extension agreements, amending agreements or dealing with the Charge in any other manner, and may apply all monies at any time received from the Borrower or others upon such part of the obligation of the Borrower as the Lender deems best and change any such application in whole or in part, without in any way limiting or lessening the liabilities of the Covenantors to the Lender.

2. The Lender shall not be bound to exhaust its recourse against the Property, the Borrower or other covenantors/guarantors or to value the security under the Charge or any collateral security before requiring or being entitled to payment from the Covenantors. Provided it is understood and agreed any funds payable pursuant to this covenant to the Lender shall be applied by the Lender upon receipt of such funds to amounts due and payable under the Charge.

3. No change or extension of time or other indulgence or release of the Borrower or anyone claiming through the Borrower, either before or after demand or claim against the Covenantors or any arrangement or other dealing by the Lender with the Borrower or any other person, either before or after demand or claim against the Covenantors, or the bankruptcy or insolvency of the Borrower, or the release, exchange, acceptance or failure to perfect by the Lender of any security, either before or after demand or claim against the Covenantors, shall in any way release, waive, vary, affect or prejudice the rights of the Borrower against the Covenantors, notwithstanding the Lender may not give notice thereof to the Covenantors and the Covenantors hereby waive, to the maximum extent permitted by law, any requirement of notice, demand or prior action against the Borrower or any other security and hereby renounces all benefits of discussions and division.

4. All indebtedness and liability, present and future, of the Borrower to the Covenantors as well as any indebtedness or liability for amounts advanced by the Covenantors on behalf of any other covenantors or guarantors of the Charge are hereby assigned to the Lender and postponed to the obligations contained in the Charge, and after the occurrence and during the continuance of any material default pursuant to the terms of the Commitment, and pursuant to the terms of any other charges or mortgages that are currently or in the future may be registered on title to the Property or relating to any other obligations including, but not limited to, the payment of realty taxes, goods and services tax and workmen's compensation premiums in respect of the Property, all monies received by the Covenantors in respect thereof shall be received in trust for the Lender and shall be paid over to the Lender upon demand without in any way limiting or lessening the obligations imposed on the Covenantors and this assignment and postponement shall remain in full effect until repayment in full to the Lender of all amounts secured by the Charge. At all other times, the Covenantors shall be entitled to receipt of all other amounts payable to the Covenantors from the Borrower from time to time. The Covenantors acknowledge the assignment to the Lender shall not impose upon the Lender any obligation to do anything to realize on the assigned debts and claims or to ensure those debts or claims do not become statute barred by the operation of law relating to limitation of actions or otherwise.

5. The Covenantors shall have no right to be subrogated to the rights of the Lender until all liabilities and obligations of the Borrower and the Covenantors to the Lender have been satisfied in full in respect of the Charge.

6. The covenants of the Covenantors shall continue for the full term of the Charge and any renewal thereof unless a release in writing has been authorized by the Lender and shall be binding upon the heirs, executors, administrators, successors and assigns of the Covenantors.

7. The Covenantors agree to make payment to the Lender forthwith after demand for payment is made in writing.

8. The Covenantors acknowledge that if for any reason the Borrower has no legal existence and is or becomes under no legal obligation to discharge the monies secured by the Charge or if any monies owing by the Borrower to the Lender become irrecoverable from the Borrower by operation of law or for any reason whatsoever, this covenant and the covenants, agreements and obligations of the Covenantors contained herein shall nevertheless be binding upon the Covenantors as principal debtor until such time as all monies owing by the Borrower to the Lender under the Charge have been paid in full and the liabilities secured thereby have been discharged.

9. This covenant shall be in addition to and not in substitution for any other guarantees or other securities which the Lender may now or hereafter hold in respect of the monies secured by the Charge and the Lender shall be under no obligation to marshal in favour of the Covenantors any other covenants or other securities or any monies or other assets which the Lender may be entitled to receive or may have a claim upon; and no loss of or in respect of or unenforceability of any other covenants or other securities the Lender may now or hereafter hold in respect of the monies secured by the Charge.

10. The statement in writing of the Lender of the monies owing by the Borrower to the Lender or of any other default under this Charge shall be binding upon the Covenantors and conclusive against them unless an error has been made and all right to question in any way the Lender's present or future method of dealing with the Borrower or any dealing with any

person or persons now or hereafter liable to the Lender for the monies hereby secured or any part thereof or with any security now or hereafter held by the Lender or with any goods or property covered by such security is hereby waived.

The Covenantors agree that the Lender shall not be obliged to make any demand upon, or take any proceedings, or action against the Borrower or any other person before pursuing its rights against the Covenantors pursuant hereto. In the event the Lender in its absolute discretion makes demand upon the Covenantors, the Covenantors shall be held and be bound to the Lender directly as principal debtor in respect of the payment of the amounts hereby guaranteed. Demand for payment shall be deemed to have been effectively made upon the Covenantors if and when an envelope containing such demand addressed to the Covenantors, at the address of the Covenantors last known to the Lender, is posted, postage prepaid, in the post office. All payments hereunder shall be made to the Lender c/o Trez Capital Limited Partnership, 1185 West Georgia Street, Suite 1550, Vancouver, BC V6E 4E6.

11. The covenants herein may be assigned by the Lender and shall remain in full force and effect notwithstanding any change in the ownership or control of this Charge; provided, however, that there shall be no cost whatsoever to the Covenantors and the Borrower for such assignment by the Lender. In the event of the foregoing the Lender agrees to use its best efforts to ensure notice of the transfer or assignment of the Charge and this covenant is provided, but failure to provide such notice shall not in any way invalidate or terminate the Covenantors' obligations herein.

12. The Covenantors hereby further covenant and agree in addition to any liability imposed upon the Covenantors in respect of all amounts due and payable under the Charge in respect of the Loan, including any interest due thereunder, any reasonable costs related to the recovering of same by the Lender, the Covenantors shall, in addition to the foregoing, shall be jointly and severally liable for and fully indemnify the Lender, its officers, directors and employees for any and all reasonable costs, expenses, damages or liabilities (including legal fees on a substantial indemnity basis and any reasonable environmental remediation costs) incurred by the Lender, directly or indirectly, arising out of or attributable to the non-compliance of the Borrower or its tenants, employees or agents with the environmental obligations imposed under the Charge, which the Covenantors acknowledge having reviewed, together with all such costs, expenses, damages or liabilities which the Covenantors acknowledge shall be secured under the Charge and all such liabilities and indemnities shall survive the repayment of the Loan, foreclosure upon the Charge and/or any other extinguishment of the obligations of the Borrower and Covenantors and any other exercise by the Lender of any remedies available to it against the Borrower and Covenantors.

13. Prior to executing this Guarantee and Postponement of Claim, the Covenantors confirm and acknowledge being provided with true copies of all documentation provided by the Borrower to the Lender in respect of the Loan and the Charge including, without limiting the generality of the foregoing, the Commitment, the Charge and Standard Charge Terms No. 200033, and the Covenantors confirm they have had the meaning and import of the terms and provisions of these documents explained to them and also had an opportunity to seek independent legal advice separate and apart from the Borrower. The Covenantors further confirm that the Covenantors are fully aware of the nature and effect of this Guarantee and Postponement of Claim and the obligations which arise hereunder in respect of the Charge and their liabilities and rights hereunder and have entered into this Guarantee and Postponement of Claim of their own volition and without fear, threats, compulsion, influence or pressure from the Borrower or any other covenantors in respect of the Loan.

14. This instrument covers all agreements between the parties hereto relative to this Guarantee and Postponement of Claim, and none of the parties shall be bound by any representation, warranty or promise made by any person relative thereto which is not embodied herein.

15. This Guarantee and Postponement of Claim shall extend to and enure to the benefit of the Lender and its successors and assigns, and every reference herein to the Covenantors are a reference to and shall be construed as including the undersigned and their respective administrators, legal representatives, successors and assigns of the undersigned to and upon all of whom this Guarantee and Postponement of Claim shall extend and be binding.

16. This Guarantee and Postponement of Claim shall be governed by the laws of the Province of Ontario.

17. This Guarantee and Postponement of Claim may be executed in two or more counterparts, each of which shall be deemed to be an original and all of which together shall constitute one and the same document.

THE UNDERSIGNED HEREBY execute and deliver this Guarantee and Postponement of Claim as of the 7th day of March, 2013.

4. All indebtedness and liability, present and future, of the Borrower to the Covenantors as well as any indebtedness or liability for amounts advanced by the Covenantors on behalf of any other covenantors or guarantors of the Charge are hereby assigned to the Lender and postponed to the obligations contained in the Charge, and after the occurrence and during the continuance of any material default pursuant to the terms of the Commitment, and pursuant to the terms of any other charges or mortgages that are currently or in the future may be registered on title to the Property or relating to any other obligations including, but not limited to, the payment of realty taxes, goods and services tax and workmen's compensation premiums in respect of the Property, all monies received by the Covenantors in respect thereof shall be received in trust for the Lender and shall be paid over to the Lender upon demand without in any way limiting or lessening the obligations imposed on the Covenantors and this assignment and postponement shall remain in full effect until repayment in full to the Lender of all amounts secured by the Charge. At all other times, the Covenantors shall be entitled to receipt of all other amounts payable to the Covenantors from the Borrower from time to time. The Covenantors acknowledge the assignment to the Lender shall not impose upon the Lender any obligation to do anything to realize on the assigned debts and claims or to ensure those debts or claims do not become statute barred by the operation of law relating to limitation of actions or otherwise.

5. The Covenantors shall have no right to be subrogated to the rights of the Lender until all liabilities and obligations of the Borrower and the Covenantors to the Lender have been satisfied in full in respect of the Charge.

6. The covenants of the Covenantors shall continue for the full term of the Charge and any renewal thereof unless a release in writing has been authorized by the Lender and shall be binding upon the heirs, executors, administrators, successors and assigns of the Covenantors.

7. The Covenantors agree to make payment to the Lender forthwith after demand for payment is made in writing.

8. The Covenantors acknowledge that if for any reason the Borrower has no legal existence and is or becomes under no legal obligation to discharge the monies secured by the Charge or if any monies owing by the Borrower to the Lender become irrecoverable from the Borrower by operation of law or for any reason whatsoever, this covenant and the covenants, agreements and obligations of the Covenantors contained herein shall nevertheless be binding upon the Covenantors as principal debtor until such time as all monies owing by the Borrower to the Lender under the Charge have been paid in full and the liabilities secured thereby have been discharged.

9. This covenant shall be in addition to and not in substitution for any other guarantees or other securities which the Lender may now or hereafter hold in respect of the monies secured by the Charge and the Lender shall be under no obligation to marshal in favour of the Covenantors any other covenants or other securities or any monies or other assets which the Lender may be entitled to receive or may have a claim upon; and no loss of or in respect of or unenforceability of any other covenants or other securities the Lender may now or hereafter hold in respect of the monies secured by the Charge.

10. The statement in writing of the Lender of the monies owing by the Borrower to the Lender or of any other default under this Charge shall be binding upon the Covenantors and conclusive against them unless an error has been made and all right to question in any way the Lender's present or future method of dealing with the Borrower or any dealing with any

person or persons now or hereafter liable to the Lender for the monies hereby secured or any part thereof or with any security now or hereafter held by the Lender or with any goods or property covered by such security is hereby waived.

The Covenantors agree that the Lender shall not be obliged to make any demand upon, or take any proceedings, or action against the Borrower or any other person before pursuing its rights against the Covenantors pursuant hereto. In the event the Lender in its absolute discretion makes demand upon the Covenantors, the Covenantors shall be held and be bound to the Lender directly as principal debtor in respect of the payment of the amounts hereby guaranteed. Demand for payment shall be deemed to have been effectively made upon the Covenantors if and when an envelope containing such demand addressed to the Covenantors, at the address of the Covenantors last known to the Lender, is posted, postage prepaid, in the post office. All payments hereunder shall be made to the Lender c/o Trez Capital Limited Partnership, 1185 West Georgia Street, Suite 1550, Vancouver, BC V6E 4E6.

11. The covenants herein may be assigned by the Lender and shall remain in full force and effect notwithstanding any change in the ownership or control of this Charge; provided, however, that there shall be no cost whatsoever to the Covenantors and the Borrower for such assignment by the Lender. In the event of the foregoing the Lender agrees to use its best efforts to ensure notice of the transfer or assignment of the Charge and this covenant is provided, but failure to provide such notice shall not in any way invalidate or terminate the Covenantors' obligations herein.

12. The Covenantors hereby further covenant and agree in addition to any liability imposed upon the Covenantors in respect of all amounts due and payable under the Charge in respect of the Loan, including any interest due thereunder, any reasonable costs related to the recovering of same by the Lender, the Covenantors shall, in addition to the foregoing, shall be jointly and severally liable for and fully indemnify the Lender, its officers, directors and employees for any and all reasonable costs, expenses, damages or liabilities (including legal fees on a substantial indemnity basis and any reasonable environmental remediation costs) incurred by the Lender, directly or indirectly, arising out of or attributable to the non-compliance of the Borrower or its tenants, employees or agents with the environmental obligations imposed under the Charge, which the Covenantors acknowledge having reviewed, together with all such costs, expenses, damages or liabilities which the Covenantors acknowledge shall be secured under the Charge and all such liabilities and indemnities shall survive the repayment of the Loan, foreclosure upon the Charge and/or any other extinguishment of the obligations of the Borrower and Covenantors and any other exercise by the Lender of any remedies available to it against the Borrower and Covenantors.

13. Prior to executing this Guarantee and Postponement of Claim, the Covenantors confirm and acknowledge being provided with true copies of all documentation provided by the Borrower to the Lender in respect of the Loan and the Charge including, without limiting the generality of the foregoing, the Commitment, the Charge and Standard Charge Terms No. 200033, and the Covenantors confirm they have had the meaning and import of the terms and provisions of these documents explained to them and also had an opportunity to seek independent legal advice separate and apart from the Borrower. The Covenantors further confirm that the Covenantors are fully aware of the nature and effect of this Guarantee and Postponement of Claim and the obligations which arise hereunder in respect of the Charge and their liabilities and rights hereunder and have entered into this Guarantee and Postponement of Claim of their own volition and without fear, threats, compulsion, influence or pressure from the Borrower or any other covenantors in respect of the Loan.

14. This instrument covers all agreements between the parties hereto relative to this Guarantee and Postponement of Claim, and none of the parties shall be bound by any representation, warranty or promise made by any person relative thereto which is not embodied herein.

15. This Guarantee and Postponement of Claim shall extend to and enure to the benefit of the Lender and its successors and assigns, and every reference herein to the Covenantors are a reference to and shall be construed as including the undersigned and their respective administrators, legal representatives, successors and assigns of the undersigned to and upon all of whom this Guarantee and Postponement of Claim shall extend and be binding.

16. This Guarantee and Postponement of Claim shall be governed by the laws of the Province of Ontario.

17. This Guarantee and Postponement of Claim may be executed in two or more counterparts, each of which shall be deemed to be an original and all of which together shall constitute one and the same document.

Demand for payment shall be deemed to have been effectively made upon the Covenantors if and when an envelope containing such demand addressed to the Covenantors, at the address of the Covenantors last known to the Lender, is posted, postage prepaid, in the post office. All payments hereunder shall be made to the Lender c/o Trez Capital Limited Partnership, 1185 West Georgia Street, Suite 1550, Vancouver, BC V6E 4E6.

11. In the event of the foregoing the Lender agrees to use its best efforts to ensure notice of the transfer or assignment of the Charge and this covenant is provided, but failure to provide such notice shall not in any way invalidate or terminate the Covenantors' obligations herein.

12. The Covenantors hereby further covenant and agree in addition to any liability imposed upon the Covenantors in respect of all amounts due and payable under the Charge in respect of the Loan, including any interest due thereunder, any reasonable costs related to the recovering of same by the Lender, the Covenantors shall, in addition to the foregoing, shall be jointly and severally liable for and fully indemnify the Lender, its officers, directors and employees for any and all reasonable costs, expenses, damages or liabilities (including legal fees on a substantial indemnity basis and any reasonable environmental remediation costs) incurred by the Lender, directly or indirectly, arising out of or attributable to the non-compliance of the Borrower or its tenants, employees or agents with the environmental obligations imposed under the Charge, which the Covenantors acknowledge having reviewed, together with all such costs, expenses, damages or liabilities which the Covenantors acknowledge shall be secured under the Charge and all such liabilities and indemnities shall survive the repayment of the Loan, foreclosure upon the Charge and/or any other extinguishment of the obligations of the Borrower and Covenantors and any other exercise by the Lender of any remedies available to it against the Borrower and Covenantors.

13. Prior to executing this Guarantee and Postponement of Claim, the Covenantors confirm and acknowledge being provided with true copies of all documentation provided by the Borrower to the Lender in respect of the Loan and the Charge including, without limiting the generality of the foregoing, the Commitment, the Charge and Standard Charge Terms No. 200033, and the Covenantors confirm they have had the meaning and import of the terms and provisions of these documents explained to them and also had an opportunity to seek independent legal advice separate and apart from the Borrower. The Covenantors further confirm that the Covenantors are fully aware of the nature and effect of this Guarantee and Postponement of Claim and the obligations which arise hereunder in respect of the Charge and their liabilities and rights hereunder and have entered into this Guarantee and Postponement of Claim of their own volition and without fear, threats, compulsion, influence or pressure from the Borrower or any other covenantors in respect of the Loan.

14. This instrument covers all agreements between the parties hereto relative to this Guarantee and Postponement of Claim, and none of the parties shall be bound by any representation, warranty or promise made by any person relative thereto which is not embodied herein.

15. This Guarantee and Postponement of Claim shall extend to and enure to the benefit of the Lender and its successors and assigns, and every reference herein to the Covenantors are a reference to and shall be construed as including the undersigned and their respective administrators, legal representatives, successors and assigns of the undersigned to and upon all of whom this Guarantee and Postponement of Claim shall extend and be binding.

16. This Guarantee and Postponement of Claim shall be governed by the laws of the Province of Ontario.

17. This Guarantee and Postponement of Claim may be executed in two or more counterparts, each of which shall be deemed to be an original and all of which together shall constitute one and the same document.

THE UNDERSIGNED HEREBY execute and deliver this Guarantee and Postponement of Claim as of the 29th day of July, 2013.
