TO THE SERVICE LIST

Dear Sirs/Madams:

**RE: DBDC Spadina Ltd. et al. ats. Norma Walton et al.**  
**Court File No.: CV-13-10280-00CL**  
**Our File No.: 44696**

Please find enclosed the Third Fresh as Amended Notice of Application and the Notice of Motion of the Applicants, DBDC Spadina Ltd. et al.

As per Justice Newbould's direction on October 29, 2015, we have particularized and underlined the relief that we are seeking against the Schedule C Companies. As you will see, the Applicants have reduced the number of companies that they are seeking relief against on this motion.

Please note that parts of the underlined material were included in the Notice of Application served on August 4, 2015. We have included previously sought relief to comply with the general direction that our clients identify and particularize the relief they seek against the Schedule C Companies.

We will arrange a 9:30 attendance before Justice Newbould to schedule the return of the Applicants' motion.

Yours very truly,

Danielle Glatt
